Welcome Zoey Haugsness!!

We have finally found a perfect fit for our part-time teller/new accounts representative position! Unless you are Norwegian you will probably mispronounce her last name. It's really pretty easy though, after hearing it a couple of times. Zoey is a recent Washburn Rural High School grad and is currently attending Washburn University. As an honors student accepted into the business school, she is double majoring in data analytics and business administration. She is a member of the Alpha Phi sorority (2268) and is **very** busy but when she is not in class or working at the credit union, you might find her volunteering at Stormont Vail or on the softball field. She has two younger siblings in the USD 437 school district. She is super smart, soaking in every bit of information we are throwing at her and bringing youth and new ideas and efficiencies to the credit union. If you have not met her yet, please stop by the credit union to introduce yourself and say "hi!". Her second semester starts soon so her hours will decrease but she intends to work as much as possible on her breaks from school and during the summer. We are SO happy to have found her! **Welcome Zoey!!!**
